From (Name) Khan Saheb Haji Abdullah Haji Kasim Saheb Bahadur,

(Designation) President, Coondapoor Taluk Board.

To The Secretary to the Government of Madras,
Local and Municipal Department

Sir, Through the President, District Board, South Kanara

Sir,

I have the honour to submit herewith a copy of the Resolution of this Taluk Board at its Meeting dated 20.12.18 in connection with the question of providing the necessary extra accommodation for the Board High School, Udipi.

pp 5-6

2. The Udipi High School is at present held in the Old Taluk Office. When the Taluk Office was removed to its new building, the Old Taluk Office buildings with the site

except the Sub-Registrar's office building were ordered to be transferred to the Taluk Board by G.O.No: 190 Rev. 23.1.1909 The Sub-Registrar's office building was retained for being used as the illage Munsif's Chavadi and the Office of the Deputy Inspector of Vaccination since transferred to Coondapoor, but as a matter-of-fact the needs of the school at the time did not require all the outhouses and so the cattle-pound (O) continued to be maintaine in one shed, while another (L) remains vacant even now. In the Sub-Registrar's office building which was retained by Government, the Office of the Deputy Inspector of Vaccination and the Village Munsif's chavadi continued to be held till recently Now the Office of the Deputy Inspector of Vaccination has been transferred to Coondapoor.

3. The Government have now sanctioned the raising of the status of the Udipi school into a High school and the Board has opened the IV Form this year. The V Form class will have to be opened next June and the VI Form in the subsequent year. The High School classes require extra accommodation as well as a Science Laboratory. The Board is thus pressed for extra accommodation and requests that the Government may be pleased to hand over the sheds marked L and O as well as the Old Sub-Registrar's office building marked K on the plan appended to G.O.No 190 Rev 23.1.1909. As it is, the cattle-pound and the Village Munsif's Chavadi on account of the large number of people and cattle passing to and fro in the

school-compound disturb teaching at the school. The Inspector of Schools and the President, District Board South Kanara, have both inspected and examined the Board's proposals and recommend the same. The Board proposes to improve the Sub-Registrar's Office building (K) into a Science Laboratory and build on the site of the vacant building (L) and the cattlepound shed (O), class rooms for providing the additional accommodation required. There is no other sufficient space in or adjoining the school-compound.

4. In case the Village Munsif's chavadi cannot be shifted to another existing Government building, the Board suggests that suitable quarters may be rented out for the same for the time and the Board will be prepared to pay a reasonable rent that may be charged for such a quarter. If that is not possible, the Board will arrange to accommodate the Village Munsif's chavadi at the building now utilized by the L.F. Engineering Department for their stores &c. next to the L.F. Overseer's office. In any case, the Board think it highly desirable that the cattle-pound and the Village Munsif's chavadi &c. should be removed from the school-compound. If these proposals are accepted by Government I shall submit without delay detailed proposals and estimates for the conversion of the Old Sub-Registrar's building (K) and for the erection of additional class-rooms. I beg to request therefore that the Government may be pleased to order the transfer of the Old Sub-Registrar's office

building to the Taluk Board and also direct the removal of the cattlepound so as to enable the Board to build class-rooms on the available site.

I have the honour to be,

Sir,

Your most obedient servant,

Habeebullah H Kasim

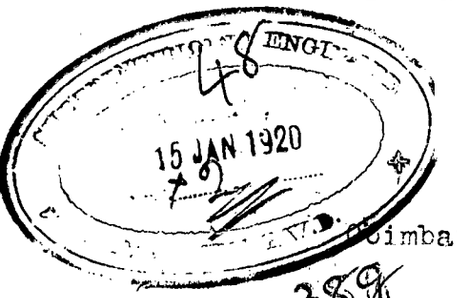
Dis. No. 51 D/Rev. 20.

Endorsement by R. H. Ellis Esquire, I.C.S., Collector of South Kanara.



Submitted through the Superintending Engineer, IV Circle, Coimbatore.

That the school stands in immediate need of additional accommodation is a fact The Taluk Board undertakes to adapt at its cost the stables attached to the old Local Fund Bungalow which stands at a considerable distance from it to meet the -- requirements of the Village Bench Court and the cattle pound and office. The Divisional Officer, Coondapoor states that - there is not much need of a stable attached to this Bungalow, as most of the travellers that resort to it are Indians without horses. He further states that any future contingency can be met by adding a stable to the new outhouse which the Taluk --- Board proposes to construct in the near future in the compound of the Bungalow. In these circumstances the transfer to the Coondapoor Taluk Board of the buildings particularised in the President's letter together with their site is recommended, -- subject to the same conditions as those imposed in respect of the other buildings in the old Taluk office compound.

In G.C No. 190 Revd. 23 1909 all the buildings in the compound of the old Taluk office at Udipi South Kanara District except the old Sub-Registrars office (marked K on the plan in the G.O.) together with the site were transferred to the Taluk Board Coondapoor for use as a school. Subsequently the old subjail hospital shed marked L on the plan was taken over by the Pwz and the building marked O is being used by Govt. as a cattle pound. The Taluk Board now requests that these three buildings also may be transferred with for the purposes of the school. It has undertaken to provide accommodation for the village bench court and cattlepound which are now located in the buildings. The Collector and Superg Engr. recommend the proposal.

2. The Taluk Board proposes to adapt the buildings for school purposes. In G.O. No. 396 Revd. 4.2.1910 the Taluk Board was permitted to carry out such alterations or additions as might be required to the buildings already
